**Subject:** Responses to Regulator Comments on the Draft Parcel G Removal Site Evaluation Work Plan

Good Afternoon Lily, Nina, Sheetal, and Amy,

Attached are responses to your comments on the Draft Parcel G Removal Site Evaluation Work Plan. I will be sending an FFA extension request for us to submit the Draft-Final version on October 26<sup>th</sup> to allow some time to review the responses and to allow us some time to incorporate the SAP into the Work Plan.

We are eager to finish the work plan and collect new data. Please bring any potential topics of discussion to my attention as soon as possible. We will have the RTCs as an agenda item on Tuesday's bi-weekly technical team call.
